TO WHOM IT MAY CONCERN:

The Bobby Brown "Scottish Accent" Dance Band has played engagements throughout Canada and the USA for the past fifteen years. These numerous engagements have been, and are still being held by members of our Association (a non-profit organization). Our members number over 500 across North America. The calibre of this band and their special skills involved in playing Scottish Country Dance music at their level is just not available in the USA and thus, our members request their services for special functions held on behalf of the Royal Scottish Country Dance Society across the North American continent.

Yours sincerely,

Sandra V. Binns
